Primary Criteria *

How does the proposed use of the gift funds:

Fit with/fulfil CUF's mission?

It maintains a place to gather and accomplish our mission.

Strengthen bonds with the Carbondale? SI community? *

The fundraisers have strengthen bonds within the community as we worked together to raise money and enjoy seeing each others talents. They were also attended by those from the community. The generosity of this community was demonstrated by the donation of a 12 year-old, the \$5 given several weeks in a row, the \$50 music honorarium that was returned for the roof fund, the donation of many talents, particularly by those artists who make a living through their talents. The congregation is proud of what they were able to raise.

Impact the Fellowship? *

Provides a sound roof, maintains a beautiful building and assists with fiscal sustainability.

Contribute to the sustainability of the congregation for future generations? *

We will be replacing the roof with 30 year shingles, ensuring a roof for years to come.

By submitting a proposal, you are expected to be directly involved in its implementation and completion if your proposal is selected. How will you personally be involved in the planned activities throughout its implementation? *

CUF has contracted with J&L Robinson to manage this project. I am happy to answer questions regarding the fundraising portion of the project.

List other CUF members* and friends who endorse this proposal, and describe their involvement in its implementation and completion. *

68 members from our community have contributed to the fundraising for the roof which was shared through names on the roof of the display. The congregation has been very generous with their donations, time and talent to support this project. The fundraising was organized by Miriam Link-Mullison, Roy Sumner, Jan Eisenhard, Cheryl and Tom Robinson. Jerry Molumby, Tom Robinson, and Bob Swenson have been shepherding the roof project to this point.

Secondary Criteria *

Does your proposal honor the memory/interests of Bill Rose or Lois Hayward who made the gifts? If so, please explain:

Both Bill Rose and Lois Hayward were supportive of maintaining the beauty and integrity of this building. I think they would both be pleased to be assisting the Fellowship in such a foundational way.

How might youth/young adults/ those under 50 be involved in carrying out the plan? *

We did have one youth donate to fundraising and one family donated crafts to sale. The donations came from across the spectrum of members, new and seasoned, young and old.

Additional comments:

By fundraising over a three year period the burden a roof replacement places on the Fellowship has been significantly reduced.
