Affirmational Covenant adopted in 2016

We are the Carbondale Unitarian Fellowship.

With compassion we honor our whole selves, each other, and our beloved community.

With intention, we choose to walk together in fellowship.

We seek truth and growth together, nurturing each other's spirit and sense of reverence.

We respect all individuals and strive to create a world where all are treated with love and dignity.

We believe all people have strengths and wisdom and are able to contribute to our faith community. We give action to our faith through service and the pursuit of justice in the wider world. Every act of service, lovingly performed, matters.

We value diversity in its many forms and welcome with open minds and hearts all those who come among us.
